STATEMENT

Promoting equal opportunities is fundamental to the aims and ethos of Holland House School. Our community reflects the diverse nature of the population within which the school resides. We welcome applications from candidates with a diverse range of backgrounds. This enriches our community and is vital in preparing our pupils for today's world. We concentrate on educating the individual, to provide a comfortable and welcoming atmosphere where each individual can feel valued and can flourish.

THE SCHOOL'S COMMITMENT

Holland House School is committed to the equal treatment of all, regardless of an individual's race, ethnicity, religion, sexual orientation, disability, learning difficulty, body image or social background. As a mixed, academically selective preparatory school we welcome all pupils who meet the entry requirements. We believe that the educational experience will be enriched when children are exposed to as wide a range of cultural experiences as possible whilst they are developing. We also welcome applications from pupils with individual needs and disabilities, but the school is not a specialist provider for special educational needs; we do not offer specialist teaching on a regular basis for special educational needs and as a small school, near a major road, we are realistic about the facilities that we can offer.

Bursaries are offered, where financially and proportionally possible, at the absolute discretion of the Governing Board, in order to make it possible for pupils, who meet the school's admission criteria, to attend the School. Application forms for bursaries may be obtained from the Bursar.

PREVENTATIVE MEASURES

- The Governors, Headmistress, Senior Leadership Team, Teaching and Welfare Staff all play an active role in monitoring the implementation of the school's Equal Opportunities Policy. This is integrated into our PSHEE and Citizenship Scheme, our Assemblies, our Form Time, playtimes, extra-curricular activities and lessons.
- Harassment in all its forms is unacceptable, our Behaviour Discipline and Sanctions Policy and our Antibullying Policy give clear guidelines on how we will address such serious issues.

GENERAL

- The equal opportunities policy is monitored by the Headmistress who reports to the Governors in order to ensure its effectiveness.
- In line with our Admissions Policy and in order to cope with our academic demands, pupils must be competent English speakers.
- We welcome pupils from all faith backgrounds and we do not consider entry based on religious beliefs.
- All pupils are required to adhere to the school rules and wear the school uniform.
- All pupils are expected to show respect for all forms of faith and diversity, and this is enforced through our school ethos and policies.

EYFS

- Pupils are taught why some forms of behaviour are unacceptable and hurtful to others. Sanctions may be the removal from an activity, loss of free time or Other relevant sanctions.
- A child may be sent to see the Headmistress, who will explain the inappropriateness of a particular action.
- Parents are informed and may be invited in for interview.
- The school may exclude a pupil if cases are severe in nature, and in the event that the support put in place does not result in the modification of behaviour to an acceptable level.

COMPLAINTS

- Parents are referred to the Complaints Policy should they feel that a pupil's equal opportunities is not being addressed appropriately.
- Parents of EYFS children may contact Ofsted directly (refer to Complaints Policy).
