

MESSAGE FROM THE HEAD

Dear Parents,

The theme of our assemblies this week was the celebration of Yom Kippur, teaching the children a little about this Jewish High Festival and what it means to make a sincere apology. The children were quick to acknowledge that saying sorry can be a very difficult task but one that is so very important to do well. Many children from all different classes across the school also shared their beautiful art work, medals and crafting successes. We particularly enjoyed Serena’s Monkey Poem! Well done to all those who contributed. Having the courage to speak in front of large groups of people is a skill we are very keen for all children to develop and urge you as parents to encourage your child to share their exciting news, creative exploits or sporting achievements with us in assembly each week.

Cake and Tea with Mrs B

This week it was my pleasure to meet with our Playground Prefects –

Brandon Cheung, Sarah Silva and Ayla Brown, Head of Student Council. The children had brilliant ideas for expanding their roles during these COVID times and had a whole list of suggestions for the improvement of the playground and the smooth running of playtime. Their company was much appreciated and once again, a special thank-you to the kitchen staff for the delicious snacks

MacMillan Cake Away

Thanks to the generosity of the parents and the children’s desire for cake, we raised an astonishing £269.80 in 20 minutes! We are very lucky to have Miss Claire and the kitchen team producing such yummy fayre.
