

MESSAGE FROM THE HEAD

This week across the school we have been celebrating Black History Month. In assembly, we learnt about George Speck Crum, a brilliant African American Chef who invented crisps! The children delighted in the story and we had crisps today at break-time as a special nod towards his culinary contributions to the modern world. The children all agreed that crisps were one of their favourite treats and were delighted to learn more about the origin of these tasty snacks!

Cake and Tea with Mrs B

This week, it was my pleasure to be joined by Nissi, Vaajas, Jasmine and Deeva for tea. These delightful, articulate children shared their favourite out of school activities with me and it was lovely to hear them take pleasure in describing these favourite activities. It is so important that all children develop hobbies outside the classroom, things that they can get passionate about. This is essential for their personal development but also makes an excellent point of discussion during interviews.

CERTIFICATES AWARDED THIS WEEK

MIRAAN SUKHUJA R
MAYA STAVREV R
AARAV PATEL Y1
SUMMER SOBCZAK Y2
KUSH DESAI Y3
KERA ADEROJU Y3
YOUSUF BEG Y4
IWINOSA OSARUMWENSE Y4
ELIYAAN JAMIL Y5
YASH BID Y5
KEYA CHANDARIA Y5
AMARA TAILOR Y6

We will be supporting the Poppy Appeal

Interview of the Week

Hello Parents, students and teachers!

We are delighted to inform you that from this point onwards, Emma Shah and Neeya Patel – Head Girls, will be interviewing a few students and teachers to see how they find learning and teaching in this new way. This week we have had the pleasure of interviewing two pupils in Year 5: Riya Thakore and Rian Malde.

This is what they had to say:

Riya:

How has Year 5 been so far?

I am thoroughly enjoying Year 5 so far because it is challenging, interesting and above all lots of fun. I have set myself some personal goals to achieve throughout the year. Mrs Dave is a brilliant teacher and I am learning lots of new methods of learning. It has been wonderful to be reunited with my classmates again after many months of being in Lockdown.

If you had to pick a favourite subject what would it be?

It's very difficult choose a favourite subject at Holland House, because they are all extremely interesting and I enjoy something different about each one. However, if I had to pick a favourite subject I would choose Composition, as I enjoy being creative and utilising the vast vocabulary I have accumulated since joining this school at the beginning of Year 4.

What are you most looking forward to this year?

This year, I am most looking forward to are weekly tests which will further motivate me to keep improving my work. I also am extremely excited about the PGL residential trip in the Summer Term to top off what will be another incredible year at Holland House School.

Rian:

How has Year 5 been so far?

I have been so happy to see my friends and teachers at school again. Mrs Dave has taught us lots of new things but this has been refreshing because she is also very kind.

If you had to pick a favourite subject wat would it be?

Maths is definitely my favourite subject because everything makes sense!

What are you most looking forward to this year?

I can't wait for Mrs King to start her swimming lessons again. She is going to be impressed with my Lockdown fitness.
