

MESSAGE FROM THE HEAD

Continuing our celebration of Black History Month, this week our assemblies were led by Mrs Mehra. She spoke to the children about Nelson Mandela and his impact on the world. Mrs Mehra had the honour of meeting this inspirational world leader and we thank her for sharing this experience with us.

Polite notice:

Broadhurst Avenue is a very busy road, especially at drop-off time. Please could I ask parents to be extra attentive when pulling out of parking spaces and when driving down the road; a member of staff had her car damaged this week by a parent who immediately drove off, which was particularly upsetting.

Cake and Tea with Mrs B

This week it was my pleasure to meet with Zi-Feng, Huan Li, Kiyana and Tito. We had a lovely chat about how they were settling in Y6 and their views on the new 11+. The children also had some great ideas for additions to the Summer Term Leavers' Program, which I will give some serious consideration to! Please keep the fabulous ideas coming! Special thank-you to Mrs Timberlake for the Jam Tarts – they were delicious!

CERTIFICATES AWARDED THIS WEEK

Dates for the diary

Flu Vaccines Wednesday 21st

Half-term from Monday 26th

Interview of the Week

Hello! We are Emma Shah and Neeya Patel and this week, we have interviewed the wonderful Mrs King (Head of Sports) We are pleased to let you know we have some intriguing answers that we would like to share with you...

1. What are we going to do now that sporting events are cancelled?

We will continue to stay fit and still work on stamina and strength exercises during this time. Sporting events, either friendly or competitive, are a great way of inspiring us, we must also realise that being fit and healthy should be a daily part of our lives.

2. What activities do you enjoy other than sport?

I love reading, particularly crime, this could be either fiction or factual. If I had my time again I would become a detective or a forensic expert. Before lockdown and during the school holidays I would visit The Old Bailey, which is a famous court in London and I would watch and listen to court cases. It was so interesting.

3. What is your favourite book?

I don't have a favourite book, but I do have favourite authors. Patricia Cornwell and Martina Cole. They are both authors of crime fiction.

4. What was your favourite subject at school other than P.E.?

That's easy it was dressmaking. I love sewing. When I was in my 20's I used to make my own clothes and for friends as well. I also learnt upholstery and to make curtains. Unfortunately, I do not have time for this anymore. Such a shame!

5. How has the last few weeks been back at school?

It has been great to be back and to see everybody in person. I enjoyed the online teaching, but nothing beats seeing you all together in the playground and getting to know you all again.

Thank you for reading, Neeya and Emma. (Head Girls)
