

Holland House School

Dear Parents,

This week HHS has been supporting national Anti-bullying week. This topic has been the focus of many class discussions and lessons, as well as being the theme for our assemblies. The children have been taught why it important to be an upstander if they witness bullying (or any other type of undesirable behaviour!) rather than being a bystander. Giving pupils the vocabulary and confidence to stop a situation that makes them feel uncomfortable is an important part of our PHSE curriculum and we hope you will reinforce this message at home.

With our self-isolation period now at an end, the Prep school teachers and I are looking forward to being back in school on Monday morning and seeing all the children face-to-face again!

Wishing you all a wonderful weekend,

Kindest regards

Mrs Brown
