

Holland House School

Dear Parents,

It has been a fantastic first week back at Holland House after the long months of lockdown. It is wonderful to hear the corridors ringing with the sound of laughter; the school is alive again! Monday's Pupil Wellbeing Day was a great success and the children loved going to the park and having fun with their friends. They were beautifully behaved and a pleasure to accompany!

There have been a number of exciting investigations and experiments for Science Week, with some incredible poster work too!

The Y6 Pupil Leaders would like to thank all the children who have taken part in the Kindness Poster Campaign. This was launched in Lockdown to raise money for the school charity, CAMFED – which helps fund the education of girls and women in the remotest parts of Africa. We raised £98 through your kind donations.

Please keep a look-out next week for communication on Summer Term Clubs and the Spring Concert, which will be a virtual event.

Kind regards,
Emily Brown

Interview of the week

Hello. This week we have interviewed Isabella and Alisha from Reception. We would also like to thank everyone who took part in the Kindness poster competition for your wonderful artwork and donations.

Alisha:

Do you like being at Holland house?

Yes. I like being with my friends and I like all the work I get, in school we are working on sums and writing sentences.

Did you like being online?

Yes, I liked being online and on Thursday it was World Book Day, we did a book hunt where you had to tick books off the sheet. It was okay because I saw all of my friends online and I was at school with Joshika and Yukta, sometimes Jay from my class came.

What is your favourite thing about school?

My favourite thing used to be spelling but now it is maths. When I was practicing my spelling in the car I was like a spelling wizard. In maths I like doing tests on number bonds.

Isabella:

Do you like being at Holland house school?

Yes! I like playing with my friends and my teachers are very kind and helpful.

Did you like doing online learning or being at school?

I like both! I like spelling, handwriting, cursive writing, topics, stories, maths, French, tap dancing, dancing, drama and P.E. I really loved doing Athletics and Purple Mash.

What is your favourite thing about Holland House?

I like maths. I like lunches and snacks. Even I love number bonds. I like everything about Holland house.

What are you looking forward to next term?

I am looking forward to everything!
