

Holland House School

Dear Parents,

It took more than the dismal weather to dampen spirits at HHS this week! The corridors have been ringing with the beautiful singing of the Y6 performers and the children have been particularly upbeat and cheerful.

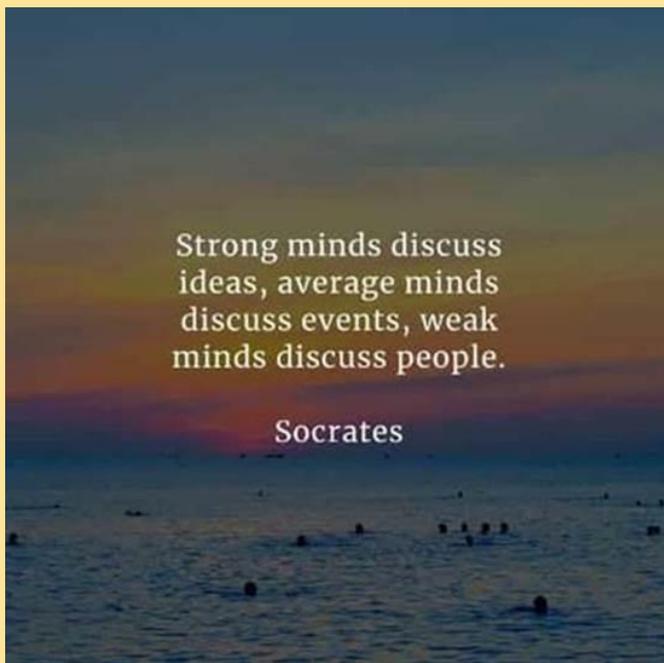

The Y6 Pupil Leaders and I have had the most enjoyable task of viewing entries for the cover of the school magazine competition! We now have a final shortlist and will be announcing winners next week. Thank-you to all the children who took part; the artwork has been delightful and, once again, I am in awe of the artistic talent in the school.

Just a little word about fevers, colds and sniffles. There seems to be a lot of this about at the moment, particularly in the pre-prep classes. Whilst these are all part and parcel of normal school life, can I request that, given the COVID situation, parents refrain from sending children to school if they have any coronavirus symptoms and get the children tested as a precautionary measure.

Finally, a heartfelt message of thanks to all of you who have written/ stopped to chat with me in support of the changes I have made. Your words were much appreciated.

My warmest regards to you all and wishing you a lovely weekend,

Emily Brown

BEFORE YOU SPEAK, THINK!

Is it **T**True?

Is it **H**Helpful?

Is it **I**Inspirational?

Is it **N**Necessary?

Is it **K**Kind?

Parents, could I ask you to go over this important principle with your children this week.
