

# Holland House School

Dear Parents,

This week the school celebrated Jeans for Genes Day and we would like to thank-you for your donations; we raised £154 for this worthy cause.

As you will have seen from the number of emails sent, there have been a significant number of positive Covid cases this week but fortunately all the children are otherwise well and only suffering with minor, if any, symptoms. Please could I urge you to test the children regularly and not send them to school if they are coughing or have a fever, however mild.

I would also like to thank Mr Belbagi and Mr Alexis for their fabulous support this week, helping us cover staff absence. Ms Loufte is recovering well and will hopefully be back in school on Tuesday, Mrs Dave on Thursday.

### **Parking accidents**

There have been a number of parking accidents this week and blocked driveways. Please be mindful of where you park and take care to ensure that our neighbours can enter and exit their properties at all times.

### **Wednesday: Photo Day**

Wednesday 22<sup>nd</sup> September is School Photo Day (individuals and siblings only). Either Summer or Winter uniform is permitted but please ensure that blazers are worn either way and that your child looks extra neat and smart upon arrival!

### **Thursday: Vision Screening Tests**

If you have not signed up for an eye-test but would like your child to be examined, please email the school office to book a slot.

### **Friday at 15.30 Macmillan Cake Sale**

After the success of last year's Cake Sale, we hope you will support this wonderful cause again this week. Macmillan Nurses receive no government funding and every penny raised helps those impacted by this terrible disease.

Kind regards

Emily Brown

## Certificates Awarded this week
