

Holland House School

Dear Parents,

A huge, heartfelt thank-you to all the families who donated for Harvest Festival. This was by far and away the largest contribution made to date and the representatives from Colindale Food Bank were incredibly moved by your generosity. They spoke with me about how difficult things have become since Covid and the fact that the Bank is giving out more than they are receiving so every item makes a real difference. Thank-you again.

October marks the beginning of Black History Month, where we will be celebrating the rich and varied history and contributions made to society, the arts, politics, sport, entertainment, maths, science and literature made by Black people in the UK and beyond.

Finally, a little reminder that there is no school on Monday morning! We are holding the 4+ assessments and so this is an Occasional day for pupils – there is no online learning.

Wishing you all a great weekend, despite the petrol queues, and thank-you again for supporting our harvest festival!

Warmest Regards

Emily Brown

Messages from Sally

The flu vaccination info was sent out today, please look out for it in your inbox

Please send your child to school with their coat. The weather is too changeable for just a blazer.
