

Holland House School

Dear Parents

A warm welcome to this Spring Term 2022! We've only been back at school 2 days but already we are fully into the swing of things with lots of exciting goings-on!

Staff Updates

Firstly, I would like to give you some staff updates. Mr Paul Longman is now our Deputy Head of the Prep School with subject leadership in Maths. Mrs Dave has taken on Science Lead and will be helping us develop this aspect of the curriculum. Miss Claudia Parker is our Pastoral Manager with responsibility for subject leadership in PSHE and Relationships. I would also like to take this opportunity to welcome back Mrs Damani who is covering Y3 for the term, a class she taught for a number of years before taking a career break to look after her own young family.

Monday 10th January: Tooled-Up Education

We are delighted to be partnering with Tooled-Up Education, with our Parent Launch on Monday 10th January at 6pm. Tooled-Up was founded by the inspirational Dr Kathy Weston who is there to provide parents with evidence based resources on all aspects of parenting, education and family life, helping you to best raise resilient children who are psychologically equipped for the next stage in their lives. A significant number of you have already signed up to the webinar, but for those who have not yet done so, please register here to join us :

Date: Monday 10th January 2022

Tuesday 11th January

On Tuesday next week, we have a photographer coming to take pictures of the school, children and classes in order to freshen up our website and prospectus. We will be very mindful of families who did not give consent for images of their child to be used. Please can you ensure that ALL children, irrespective of classes come to school super neat and tidy, wearing their full school uniform, including blazers that day, and that ALL children bring in their PE kits – the pre-prep children will change in school for their lessons. Some of the prep school children will be asked to change for squad/activity photos.
